2010 Camp Enterprise a Success!

New Detroit's annual summer youth business camp was a success with over 100 high school students from around the Detroit area. With orientation at Wayne State University and camp held at Michigan State University and the University of Michigan, Camp Enterprise gave students a taste of the college life while learning business skills. In total, 15 business plans were created during the camps with assistance from 25 adult volunteers.

Excellent Schools Detroit Releases School Report Card

The Excellent Schools Detroit Coalition, a broad-based coalition of which New Detroit is a member, recently released a report card ranking all public, public charter, and private schools in Detroit. The report ranks the schools from best to worst based on elementary and middle school MEAP test scores and high school ACT scores and graduation rates. The report card is part of the strategy to help Detroit parents become more informed "school shoppers."

Lea, Thank You for 25 Years of Dedication and Service to New Detroit!

This summer marks the 25th anniversary of New Detroit's Vice President of Administration, Leatrice Eagleson. All of us at New Detroit are so grateful for all of the hard work and dedication that Lea has put into New Detroit. During her 25 year tenure, Lea saw seven different presidents at New Detroit, greatly assisted New Detroit's efforts to improve race relations in metropolitan Detroit, and made life-long friends.

Thank you, Lea, for 25 years of making a difference at New Detroit!
